

Increasing
youth STI
screening,
testing and
treatment

Developing social
media &
awareness
campaigns about
youth STBBV
issues

Providing a
safe space for
young people
to gather

Referring
young people
to other
services that
can help

Getting
feedback on
existing
programs and
making
changes

Involving young
people in
planning,
delivering and
evaluating
programs

Acknowledging
and respecting
young people's
lived
experiences

Ensuring that
ongoing support
for young people
is readily
available

Building &
maintaining
the trust of
and rapport
with young
people
